EXPERIENCE

Architectural Designer

09/2024 – Present

George Boyle Architecture

New York, NY

- Produced construction drawings, permit submissions, and design documentation in Revit and AutoCAD for 15+ residential and commercial projects across NYC.
- Developed photorealistic renderings in SketchUp that secured client approvals on apartment remodels, bank constructions, and commercial spaces.
- Applied NYC zoning and building code expertise throughout design development, reducing compliance revisions on all active projects.

Architectural & Design Consultant

05/2024 – 08/2024

Pioneer Construction

Grand Rapids, MI

- Executed Scan-to-BIM workflows using Recap and Revit for 5+ commercial sites, delivering precise existing-conditions documentation.
- Resolved interdisciplinary clashes in BIM coordination meetings before construction, preventing costly on-site conflicts.
- Supported design development from concept through construction documentation across multiple simultaneous commercial projects.

Architectural Design Team Member

05/2022 – 05/2024

Denham-Blythe Design/Build

Lexington, KY

- Contributed to design development of manufacturing facilities upwards of 800,000 sq ft, alongside high-profile projects including Bluegrass Airport Hangar 49 and Kentucky State Capitol temporary chambers.
- Coordinated daily with structural, MEP, and civil engineers to deliver drawing sets and 3D models on accelerated project schedules.
- Produced design development and construction documentation in Revit, AutoCAD, and Enscape across a diverse range of project types.

Architectural Designer

06/2023 – 08/2023

SG2 Arquitectura

Barcelona, Spain

- Produced floor plans, renderings, and technical drawings for residential and commercial projects at an international firm.
- Adapted to European architectural standards and collaborated across disciplines in a multilingual, cross-cultural environment.
